

Wisconsin Underwater Archeological Association Membership Application/Renewal Form

The Wisconsin Underwater Archeological Association (WUAA) is a private, non-profit, volunteer organization dedicated to helping understand, catalog, and promote Wisconsin's underwater historical resources. We work closely with the Wisconsin Historical Society and other organizations who are dedicated to the same purpose. We invite any person to join who shares our love of Wisconsin's underwater resources and the knowledge that we can learn and share from it.

WUAA presents an opportunity for individuals to participate in and contribute to state efforts in underwater archeological research and preservation. Dues are \$20 per year. Membership terms begin in October and dues are pro-rated for members joining at other times.

Membership in WUAA includes an annual subscription to our quarterly newsletter "Wisconsin's Underwater Heritage," an invitation to attend the annual membership meeting, and opportunities to participate in WUAA activities and administrative areas.

(Print and Mail)

Renewal \$20 annual dues (membership year is October to October)

Date _____
